Judges Are Selected
Three well known business men of Bisbee have been selected, and have consented to act as judges. These are:

P. H. Fitzpatrick, city clerk of Bisbee.
Will Solomon, of E. A. Tovrea and Company.
H. W. Williams, of the Bank of Bisbee.

The announcement of these three judges, after they have satisfied themselves of the exact status of each contestant, will be final. The count will be in their hands.

Including today, there remain but four days more of work for the prizes. It is for the contestants to be active and energetic every waking minute lest a more energetic one shall steal away the coveted lead. It rests with the contestants themselves and with no one else, to become the successful of all the successful ones. The campaign is now more fully than ever in their hands.

WILSON FAVORED IN CAROLINA

COLUMBIA, S. C., May 14.—Whether South Carolina's eighteen delegates to the Baltimore convention shall be instructed for Woodrow Wilson or go uncommitted is believed to depend wholly upon which faction of the state organization is able to dominate the state convention which meets here tomorrow. Practically no campaign for any candidate other than Wilson has been made in this state. The faction led by Governor Coleman Blease, who is a candidate for another term, favors an uncommitted delegation. The rival faction, under the leadership of Judge Ira H. Jones, who aspires to succeed Blease in the governorship, will fight hard in the convention for Wilson in instructions.
